Leaders in Caring

GIVE. ADVOCATE. VOLUNTEER.
LIVE UNITED™

Dear Friend,

How do you **LIVE UNITED?**

Well, for over 800 local contributors to our United Way who are recognized on the following pages, they are making a tremendous positive impact to the quality of life here in our area by providing leadership support to our organization.

Since 1937, United Way has been serving Atlantic County by improving people's lives and advancing the common good in our community. This experience tells us that the best way to help the most people is to focus on the underlying causes of the most serious problems. Today we are focused on critical issues like education, income and health – building blocks for a good life.

On the pages that follow, we recognize those who have given generously in the past year to our United Way. Individuals giving \$10,000 or more annually are recognized as members of the national *Alexis deTocqueville Society*. Donors giving \$1,000 or more are listed as members of the *Richard Somers Society*. We are also grateful for the strong support from the caring individuals in our other categories listed in this booklet, including: *Community Hero* (\$500 or more); *Diamond Donors* (20 years or more of giving); *ACCEL* (our young leaders group) and the *Women's Leadership Initiative*. In total, the donors listed in this booklet have contributed over \$750,000 during 2008-09 to support people in need in our community.

The continued support of area leaders – people like you – is critical to helping us reach our goals and bringing lasting changes to our community. If you are already among this force of caring, committed investors, we thank you for your generosity. If you are not, we ask you to consider contributing to United Way at the Leadership level. If you would like more information or have any questions, please contact John Emge, United Way of Atlantic County's executive director, at 609-404-4483 ext. 18 or email jemge@unitedwayac.org.

Sincerely,

Joe Domenico

Alexis de Tocqueville
Society®

The Alexis de Tocqueville Society is a national program to honor individuals who contribute \$10,000 or more to United Way.

In the 1830s, Tocqueville observed an overwhelming concern in Americans for the greater well-being of all and applauded this good will in his *Democracy in America*, a detailed, two-volume study of American society and politics.

John C. Haas, general chairman of the Delaware Valley chapter of the society, has generously created a match program to help individuals increase their gift to the Tocqueville level. First-time contributions of \$10,000 are matched dollar-for-dollar. Through a multi-year matching program, Leadership Givers who commit to giving \$5,000 the first year, \$7,500 the second, and \$10,000 thereafter, receive full membership in the Alexis de Tocqueville Society immediately.

Legacy Gifts

Legacy Gifts are invested by caring individuals and families who have made formal plans to leave a gift to United Way. They have planned their estates to help secure the future of United Way of Atlantic County and the quality of life in our community.

Why provide a Legacy Gift to our United Way?

You can create a personal legacy of ongoing significance that will honor you or a family member in perpetuity. Your Legacy Gift is a clear declaration of your values. Because your gift is invested to generate earnings, it will continue to grow, meeting future needs and ever-changing priorities.

What are the benefits of providing a Legacy Gift?

Legacy Gift donors can:

- Generate tax deductions through cash and gifts of appreciated assets.
- Avoid capital gains and estate taxes on gifts of appreciated assets.
- Exchange assets for lifetime income.
- Know that their United Way gift will be managed wisely and in the best interest of you and your loved ones.

Your generosity is of tremendous importance to the future of United Way of Atlantic County and our community. The impact you make—your legacy will be felt for years to come.

The Richard Somers Society

Established in 1988, the Richard Somers Society is a recognition program for leadership donors to United Way of Atlantic County. Their generous annual contributions of \$1,000 or more to our community campaign help Atlantic County thrive and prosper throughout the year.

The Richard Somers Society comprises levels of giving created to honor three generations of early local community leaders who exhibited outstanding service to our area — and heroism on behalf of our budding nation. Membership levels are as follows:

Hero

(\$5,000 to \$9,999)

Named in honor of Master Commandant Richard Somers (1778 - 1804), naval hero in the blockade of Tripoli Harbor and captain of the USS Nautilus at age 25, who perished with 12 volunteers in a risky maneuver to end the war.

Patriot

(\$2,500 to \$4,999)

Named in honor of Richard Somers (1737 - 1794), surveyor and militia colonel in the Revolutionary War, who later became an Atlantic County court judge and a member of the Provincial Congress in 1775.

Master Builder

(\$1,500 to \$2,499)

Named in honor of Richard Somers (1693 - 1760) who built the oldest home in Atlantic County, the Somers Point Mansion in Somers Point.

Builder
