United Way's Volunteer Center

We match potential volunteers with the needs of local health and human service agencies, and deliver topical training and support for capacity building of local non-profit organizations.

Success By Six

Helping children succeed by giving them the building blocks of a good start to life. This local initiative focuses on addressing early childhood needs such as prenatal care, early learning skills, immunizations and other services to ensure success in school and beyond.

GIVE.

Workplace campaigns are the easiest and most powerful way to invest in your community. You can direct your contribution to a core priority area: Basic Needs & Independence; Community Health Issues; Mental Wellness & Reducing Substance Abuse; and Safer Homes & Neighborhoods. As always, we will also honor specific agency designation to qualified 501(c)3 charities.

ADVOCATE.

You can make change happen with your voice. Get informed. Tell your friends. Write a letter to the editor. United Way needs people who are passionate about education, income and health to make some noise.

VOLUNTEER.

United Way's Volunteer Center works with volunteers and local nonprofits to develop the best opportunities for youth, busy working adults and seniors. Visit www.volunteermatch.org to connect with local volunteer opportunities.
